officer in each district should be appointed to ensure the engagement of these counselors.

- The Chief Secretary was presiding over the meeting of the Crisis Coordination Committee meeting through video conferencing here today.
- She also directed that the police officers should ensure that the anxiety of migrant labourers living in various Relief Camps should be done in a humane manner. She said that the possibility of installing a TV in these Relief camps should also be ensured and it should further be ensured that social distancing in these camps is maintained.
- She said that all the Municipal Committees, Numberdars, Sarpanches, Panches, Irrigation department teams, to keep a close vigil on the movement of the migrant labourers and apart from this the registration of each migrant labourers should be done with the complete details of their Aadhar number, residence address and contact numbers.
- She directed that work tracking and tracing of every person entering the State from neighbouring States should be intensified. Apart from this, the identification of foreign returnees should also be intensified.
- The Chief Secretary further shared that directions should be issued that the banks across the State should remain open and along with this it should also be ensured that maximum ATMs should remain open to avoid the rush. She said that all the Deputy Commissioners would ensure the benefits being given of various schemes should be done in a staggered manner and there should not be any chaos in the banks and ATMs. She said that it should also be ensured that people do not visit the banks in large numbers.
- The Chief Secretary further directed that as per the guidelines, certain parameters have been set for the dedicated COVID hospitals, therefore all the health and the medical education officers should ensure that the parameters are being followed thoroughly.
- She further directed that the availability of oxygen cylinders and adequate number of ventilators should also be ensured in every hospital across the State. She directed that the doctors, health workers and paramedical staff should be motivated and convinced that the State
