**Chief
Minister's
Message**

after a review meeting regarding the preparedness for COVID-19 with Home, Health and Family Welfare, Medical Education and Research, and Urban Local Bodies Departments today.

- He said that these four departments are fighting on the forefront against COVID-19 in the State and the officers and employees of these departments have done excellent work in making the lockdown-1 a success. He said that today there are a total of 149 active cases in Haryana.
- Mr. Vij said that advisories are being issued from time to time by the Central Government regarding COVID-19 patients and these advisories are being implemented in Haryana as well. In this series, the Containment Zone and Buffer Zone have been created, under which the definitions of Containment Zone and Buffer Zone are different in rural and urban areas.
- He said that the areas which have been declared as Containment Zones in Haryana have been completely sealed and directions have been given to provide essential items in these areas so that people do not face any kind of problem. He said that the officers have been directed that sanitization works should be carried out daily in the Containment Zone and sanitization will be done under the second phase in the entire state as well.
- The Minister said that the bank premises, mandis, markets, grocery stores, chemist shops as well as ration depots have been directed to maintain social distancing in their establishments and if any establishment fails to maintain the same then they will not be allowed to open or operate.
- He said that a letter has been written to the Indian Medical Association (IMA) that in view of the conditions of the COVID-19 pandemic, they should ask private doctors to open their private clinic so that the general public can be treated for other diseases and problems. Similarly, he said that the Health Department has been directed to keep retired doctors on contract for one year so that the COVID-19 pandemic can be dealt with properly. He said that so far 197 doctors have joined their duty and it has been decided to give joining letters to 58 doctors on the waiting list.
- Mr. Vij informed that nine special COVID Hospitals equipped with ICUs, ventilators and other equipment have
