## DESCRIPTION

### State's first Plasma Bank to be set up in Sawai Man Singh Hospital

Jaipur, July 24. Health Minister Dr Raghu Sharma said that efforts have been started to set up State's first Plasma Bank at the Sawai Man Singh Hospital to fight better with COVID-19. Dr Sharma on Friday releasing a poster of Plasma Bank has appealed to 'Corona Survivors' to donate more and more plasma.

Dr Sharma said that in the present scenario the Rajasthan Government is very sensitive towards the health of the general public. The State Government is making all possible efforts to increase the recovery rate of COVID-19 and to reduce the fatality rate. He said looking at the unprecedented and encouraging results of plasma therapy at the Sawai Man Singh Hospital, the State Government is setting up State's first Plasma Bank at the SMS hospital, Jaipur.

Dr Sharma has appealed to all the 'Corona Survivors' to donate their plasma by which life of serious and very critical patients could be saved and the fight of the Rajasthan Government against corona pandemic could be made successful. In his message, he said that there will be no weakness in donating plasma and it is very important for corona patients.

On this occasion, Medical Education Secretary Shri Vaibhav Galriya, Sawai Man Singh Medical College principal Dr Sudhir Bhandari, Dr Ajeet Singh and Dr Suneet Bundus and other officers were present.
