

Government of National Capital Territory of Delhi
Health & Family Welfare Department
9th Level, A-Wing, Delhi Secretariat, New Delhi – 110002

No. sshfw/77

Date: 28-04-2020

Order

In view of the large number of COVID-19 related activities being undertaken across the state, the need has arisen for instituting a system of nomenclature that can be used to tag all the facilities where COVID positive patients are being housed or treated, and containment areas notified to prevent outbreaks. The nomenclature shall be used by all authorities to effectively manage the data being collected for the purpose of activities such as sample collection at the facilities as well as to track the use of facilities by patients at the central level.

The unique codes will begin with an alphabetic code corresponding to the facility or area which it represents:

| Name of facility | Alphabetic Code |
|----------------------|-----------------|
| COVID Care Centre | CCC |
| COVID Testing Centre | CTC |
| COVID Health Centre | CHC |
| Containment Zone | CZ |

The alphabetic code will be followed by a two letter District Code:

| Name of district | Numeric Code |
|------------------|--------------|
| Central | 01 |
| South East | 02 |
| South | 03 |
| Shahdara | 04 |
| New Delhi | 05 |
| North | 06 |
| South West | 07 |
| West | 08 |
| East | 09 |
| North East | 10 |
| North West | 11 |

The district numeric code will be followed by a three digit numeric code corresponding to the respective serial number of the facility. This serial number may be generated by the respective district administrations when new facilities are added by it. The existing facilities will bear the following codes:

| S. NO | Distt. | Name of Containment Zone | Unique Code |
|-------|-----------|--|-------------|
| 1 | Central | Sadar Bazar | CZ01001 |
| 2 | Central | Nabi Karim | CZ01002 |
