### **CIRCULAR**

In view of the spread of COVID-19 pandemic, it was decided by the competent authority to postpone the Secondary School Certificate Examinations to be conducted by the Goa Board of Secondary and Higher Secondary Examination and it was further decided that the fresh dates will be announced by the Board giving at least 10 days notice to the candidates.

As the students who will appear for the said examination will be in a state of dilemma due to the above situation, they need to be supported by their parents as well as their teachers. Therefore, the heads of the institutions shall ensure that their teachers who have taught these students shall remain in constant touch with the students through electronic media as per their convenience and provide them proper guidance whenever required so that the students are at ease and are also prepared for the examination.

This issues with the approval of the competent authority.
