

No. 31/8/2020-M
GOVERNMENT OF MANIPUR
SECRETARIAT: HEALTH DEPARTMENT

SoP for Short Term/Urgent Visitors
Imphal, the 15th August 2020

SoP for visitors who come to Manipur on short stay of three days or less for urgent tasks was issued on 20th June 2020. With the evolving COVID-19 scenario and the need to ensure that important activities for economic and social development have to be facilitated, revised SoP is prescribed as follows:

- (a) This facility shall be allowed for visitors coming for short stay upto seven days or lesser.
- (b) Such visitors shall carry a COVID test negative report (in original from an ICMR approved lab) taken during the last 48 hours before arrival at Manipur. For such visitors no further test will be required in Manipur.
- (c) If test report as above is not available, such person shall undergo paid testing immediately at the authorized private labs or at designated Government lab. Presently, the only ICMR authorized private lab is Babina Diagnostics Laboratory, Imphal. The designated Government lab for paid Truenat Testing is at IRL Laboratory, RD Wing compound, Lamphelpat.
- (d) Such visitors shall inform their place of stay in Manipur and contact details at the designated Transit Counter (HRD Academy, Imphal for air passengers and Screening Centre at Mao/Jiribam for vehicle passengers).
- (e) Such visitors shall observe social distancing norms rigorously, wear face mask at all times and ensure regular washing of hands with soap or use hand sanitiser.

(Dr. Rajesh Kumar)
Chief Secretary
Government of Manipur
